2. Explanatory Note on Special Business

Resolution Nos. 6 and 7

Under the Malaysian Code on Corporate Governance 2012 ("MCCG 2012"), the Board must undertake an assessment of its independent directors annually. In addition, the MCCG 2012 has recommended that the tenure of an independent director should not exceed a cumulative term of nine years. Shareholders approval must be sought in the event that the Company intends to retain the independent directors who have served in that capacity for more than nine years.

Resolution No. 8

The proposed resolution if passed will empower the Directors of the Company to issue and allot shares up to 10% of the issued and paid-up share capital of the Company from time to time. This authority will, unless revoked or varied by the Company in general meeting, expire at the conclusion of the next Annual General Meeting of the Company or the period within which the next Annual General Meeting of the Company is required by law to be held whichever is the earlier.

As at the date of this notice no shares have been issued pursuant to the mandate granted to the Directors at the last Annual General Meeting held on 25 June 2012 and which will lapse at the conclusion of the Eleventh Annual General Meeting.

The Directors seek a renewal of the mandate to provide flexibility to the Company for possible raising of funds, including but not limited to placing of shares, for purpose of additional working capital, funding of investments, acquisitions or reduction of borrowings.
