## 2. Explanatory Notes on Special Business

### Resolution No. 7

Under the Malaysian Code on Corporate Governance 2012 (“MCCG 2012”), the Board must undertake an assessment of its independent directors annually. In addition, the MCCG 2012 has recommended that the tenure of an independent director should not exceed a cumulative term of nine years. Shareholders approval must be sought in the event that the Company intends to retain any independent director who has served in that capacity for more than nine years.

### Resolution No. 8

The proposed resolution if passed will empower the Directors of the Company to issue and allot shares up to 10% of the issued and paid-up share capital of the Company from time to time. This authority will, unless revoked or varied by the Company in general meeting, expire at the conclusion of the next Annual General Meeting of the Company or the period within which the next Annual General Meeting of the Company is required by law to be held whichever is the earlier.

Up to 21 April 2016, being the latest practical date before the printing of this Annual Report, 11,324,283 shares have been issued pursuant to the mandate granted to the Directors at the last Annual General Meeting held on 18 June 2015 and which will lapse at the conclusion of the Fourteenth Annual General Meeting. The said shares were allotted and issued in relation to the Private Placement exercise undertaken by the Company which raised total proceeds of RM5,588,000. Out of the total proceeds received, RM2,753,000 had been utilised up to 31 March 2016 for general working capital and payment of expenses related to the Private Placement exercise. The balance of RM2,835,000 is expected to be utilised within a period of one (1) year from the completion of the Private Placement exercise for general working capital and balance payment for the Private Placement exercise.

The Directors seek a renewal of the mandate to provide flexibility to the Company for possible raising of funds, including but not limited to placing of shares, for purpose of additional working capital, funding of investments, acquisitions or reduction of borrowings.

### Resolution No. 9

The proposed resolution in relation to the Proposed Shareholders’ Mandate for Recurrent Related Party Transactions of a Revenue or Trading Nature which is to be reviewed annually will eliminate the requirement for the Company to make regular announcements and convene separate general meetings from time to time in respect of the aforesaid Related Party Transactions.
